## **PD Lions support Cat 2.0**

The Port Dover Lions made a substantial contribution of \$60,000 to the Norfolk General Hospital Foundation supporting the Year of the Cat 2.0 campaign. The BIG cheque was delivered January 27 to Jennifer White NGH Foundation Director.

"The Port Dover Lions continue to be so generous to our hospital. We are so grateful to the Club for their gift to supporting quality care to the community" remarked White in accepting the donation.

Alan Strang Marketing & Communications explained how the funds were raised saying "The Port Dover Lions hold numerous events throughout the year, like our New Year's Party, Fish Fry & NOT a Stag Night and Annual Turkey Raffle. It's the proceeds from these events that the Lions are able to give back to the Port Dover and area Community."

The Port Dover Lions have been serving the Community for over 80 years.

To date, contributions to The Year of the Cat 2.0 campaign have reached nearly \$1 million of the \$1.5 million goal needed to purchase a new Computed Tomography (CT) unit for NGH. Your tax deductible donation to the Year of the Cat 2.0 would be greatly appreciated. Drop by the Foundation office at NGH, call 519-426-0130 X 2456 or visit [www.ngh.on.ca](http://www.ngh.on.ca) to donate on-line.
