### **YOC 2.0 Receives Support from Simcoe Portuguese Community**

The Simcoe Portuguese Community Centre made a generous donation of \$5,000.00 to the Norfolk General Hospital Foundation Year of The Cat 2.0 Campaign. President Julio Bernardo and Secretary Victor Catarino delivered the funds to NGH Director Jennifer White at the Foundation office.

"We wanted to give back and we know how important the hospital is to us and the community" stated Catarino.

"Community support is so important to our hospital" noted White. "We appreciate the awesome support of the Portuguese Community and their desire to maintain great care close to home."

The Year of the Cat 2.0 Campaign supports the purchase of a new 128 slice Computed Tomography (CT) scanner for the hospital. Work is underway preparing for the new unit. A portable CT has been installed at NGH providing temporary service to inpatient and emergency cases.
