Rate of Pay: \$22.71 - \$23.34 hourly
Posting No.: 21-103
Posting Date: April 24, 2021
Deadline to Apply: May 1, 2021

About the Position

Norfolk General Hospital is seeking a temporary part time Health Service Attendant. The Health Service Attendant works in all areas of the Hospital, providing direct patient care and undertakes basic security tasks and duties in keeping with the Mission, Vision, Values and Goals and Objectives of Norfolk General Hospital. The Health Service Attendant reports directly to the Director of the Emergency Department.

Position Qualifications

- Personal Support Worker certification from a recognized program
- Current BCLS Certificate Level C - Heart and Stroke
- Certified in Non-Violent Crisis Intervention preferred
- Gentle Persuasive Approach Certificate preferred
- Minimum 1-year current PSW experience
- Excellent knowledge of Infection Control practices
- Excellent attendance record
- Demonstrated skills de-escalation and conflict resolution
- Demonstrated knowledge of all emergency codes
- Demonstrated ability to identify hazards and risks associated with self, patient, staff and visitor safety
- Excellent communication skills both written and verbal, with all members of the interdisciplinary team, family, and patients
- Excellent organizational, problem solving, and critical thinking skills
- Strong patient and family focused philosophy
- Demonstrated understanding of least restraint protocols
- Ability to meet physical demands of the position including lifting, carrying and bending as required

General Duties & Responsibilities

- Commitment to the Mission, Vision and Values of Norfolk General Hospital
- Perform patient care, security and maintenance tasks and duties
- Models a positive work culture that promotes and supports safe, effective, and ethical practice
- Participates in ongoing quality improvement activities in collaboration with the health care team with a focus on quality patient care and fiscal responsibility
- Supports professionalism according to Policy and Procedures of Norfolk General Hospital
- Promote a culture of safety by participating in the initial investigation of adverse events, identification of safety concerns
- Make rounds on all units to determine unit needs in collaboration with the Clinical Practice Leader
- Communicates with nursing units when duties prevent completing rounds or assignments.
- Carry HSA phone at all time while on duty
- Report to oncoming HSA focusing on hospital needs, priorities and safety/security concerns and report any issues to the appropriate Director
- Actively participate in staff meetings
- Attends/participates in appropriate in-services programs
- Responds to all Emergency Codes as outlined in the Emergency Preparedness Manual
- Transports oxygen and equipment in a safe manner in the absence of the RRT.
- MDR – pick up soiled equipment from units and return to MDR on stats and weekends

Patient Care Responsibilities

In addition to PSW responsibilities, the Health Service Attendant performs the following:

- Proficient in the application and policy associated with the application of restraints
- Moves and lifts patients using good body mechanics, lifting devices, and safe transfer techniques. Use mechanical lifts for transferring patients as per policy.
- Communicates with the charge nurse or primary nurse any unusual findings or occurrences
- Patient transport to other departments
- Assists in "care after death" and in transporting bodies to the morgue
- Assembles and removes orthopedic frames (applies traction bars and set up to bed only)
- Assists physician with application of splints, casts and traction
- Patient teaching "crutch walking" as directed by the Emergency Department nurse
- Check 'shower' list on 4B and communicate with 4B Clinical Practice Leader if and when they can be completed

Hours of Work

Must be available for all shifts and weekends.

How to Apply
