

Norfolk General Hospital (NGH) seeks an FPA to join our group of 5 fulltime/part time anesthetists. Both full-time and part-time would be available.

We provide 24-hours care in the hospital, performing advanced laparoscopic surgery for General Surgery (including bowels resection, Nissen fundoplication and hernia repair), Gynecological Surgery, and Ophthalmology. In addition to surgical lists, we provide obstetrical anesthesia care for our L & D department. We are also responsible for Ventilator Care in the ICU and critical care in the ER.

We also provide coverage for day-lists at West Haldimand General Hospital and Alexandra Hospital in Ingersoll. As such, we cover anywhere from 3-5 lists on a daily basis.

Supplemental work in Emergency Medicine or Hospitalist work is available for interested applicants.

NGH is a 102 bed, full service community hospital serving a population of over 65,000 residents in Norfolk County. Hospital services include a 7 bed ICU, Internal Medicine, Cardiology, Gastroenterology, General Surgery, Obstetrics and Gynecology, Emergency Medicine, Anesthesia, and Family Medicine.

The hospital is located in Simcoe, 10 min from the beautiful lakeside community of Port Dover on Lake Erie. Norfolk County is renowned for its local fresh produce, warm southern climate, boating and fishing on Long Point Bay, Carolinian forests, and sandy beaches from Port Dover to Turkey point. There is also the World Biosphere Reserve in Long Point.

Applicants must be independently licensed or eligible for independent licensure in Ontario.

Fee-for-service remuneration plus HOCC on-call daily stipend.
