6. MATTERS FOR DISCUSSION

6.1 President & CEO Report

K. Isfan distributed and reviewed “An Introduction to Health Links” document. She noted this is a Ministry direction, where all providers in the community are charged with coordinating plans at the patient level. She would like our hospital to play a lead role in getting this going, and wants to hold a meeting with our colleagues/providers and maybe the LHIN. The LHIN has hired Michael Churm, to be in charge of this project, and he would be pleased to come out and provide a presentation for us.

J. Guilmette suggested inviting the Health Unit, and that members of the Social Services Providers Group could provide names to contact.
