Respiratory Outbreak at Norfolk General Hospital

Norfolk General Hospital has declared a Respiratory Outbreak on 4B. There are a number of patients showing respiratory symptoms including cough, hoarseness and general unwell.

Precautions include; patient isolation, increased cleaning, signage, limited group activities and a halt to new admissions and transfers. The Hospital will maintain communication with direct family members.

At this point there are no visitor restrictions however if you are feeling ill, please avoid visiting NGH.

Outbreak precautions will remain in effect until further notice. If family members have any immediate concern about their loved one, please contact: (519) 426-0130 ext. 4221

When entering our Hospital or Nursing Home, please wash your hands or use one of the many hand sanitizing stations available.
