Port Dover Lions Give to Building a Better Hospital

The Port Dover Lions presented a \$30,000 donation to the Norfolk General Hospital Foundation as part of their commitment to the Building a Better Hospital Campaign. The Lions made a commitment to the hospital to donate \$50,000 over 5 years through their Win a KIA for Canada Day Draw.

"We were looking for a project to donate a big chunk of that all at once" said Alan Strang, Pt. Dover Lions Win a Kia for Canada Day coordinator "and, Kelly Fulsom from Pt. Dover Kia came forward with a proposal for us to raffle off a KIA. It was an outstanding success. We have raised \$30,000 towards our \$50,000 commitment."

As a business in Port Dover, the KIA dealership wanted to support the local Lions who every day gives back to the community. "This was an opportunity to give to our local Lions so they could give back to what they felt was a great cause which in turn was to Norfolk General Hospital. We are thrill to be a participant and look forward to many years of working together as a team" explained Kelly Fulsom, GM Pt. Dover KIA

Jennifer White, NGH Foundation Director accepted the donation on Tuesday September 19 just prior to the Club's regular meeting at the St. John's Anglican Church Hall in Pt. Dover. "This Donation is huge" Ms. White told the Lions, "your generosity is phenomenal and very much appreciated, thank you."

The \$13 Million Building a Better Hospital Campaign will fund the expansion of the hospital to make a new home for the Surgical Day Care unit, rebuild Labour & Delivery into state-of-art Birthing Suites and renovate a Minimally Invasive Operating Room. To find out more or to make a donation, please contact Jennifer White www.ngh.on.ca or 519-426-0130 ext. 1454
