## Chase the Ace Benefits NGH

Jennifer White, Norfolk General Hospital Foundation newly appoint Director of Development was only a few days on the job when the Rotary Club of Norfolk Sunrise presented a cheque for \$10,000 in support of the Building a Better Hospital Campaign. "Part of the proceeds for this donation has come from our very successful Chase the Ace promotion" said Jim Simpson with the Club's Community Service Committee. "We know how important NGH is to the health of our community and how important an upgraded facility is to attracting and maintaining physicians."

Ms. White thanked the Rotary Club of Norfolk Sunrise stating "It is a real pleasure to receive this generous campaign support only a few days into my role as Director. It is a strong reflection on the giving nature of this community. Together, we will build a better patient centred hospital." The \$13 million project will build a new Surgical Day Care unit and renovate and revitalize our Labour & Delivery unit and a Minimally Invasive Operating Room.
