Surprise Presentation

The Waterford Lions Club has pledged \$25,000 to supporting the Norfolk General Hospital Foundation's Building a Better Hospital Campaign. The first installment of \$7500 was delivered during the Foundations Donor Appreciation Event held May 30 at the Greens at Renton. "It came as a bit of a surprise. We knew of their pledge but not that they would present a cheque while being appreciated. They walked up to the mic at the end and said we have something for you" stated Gerry Hamill, Communication Specialist for NGH and MC for the Donor Event.

Building a Better Hospital Campaign co-chairs Brad Allender and Jill Thompson accepted the cheque from Lions Bordan Tchegus, Alex Vervaet and John Toms. "This is just the kind of local support we need to complete this project for the people of Norfolk" remarked Allender "Thank you Waterford Lions for caring about healthcare in our community."

The \$13 Million Building a Better Hospital Campaign will fund the expansion of the hospital to make a new home for the Surgical Day Care unit, rebuild Labour & Delivery into state-of-art Birthing Suites and renovate a Minimally Invasive Operating Room.
