

For release: May 18, 2016

A Couple of Days Each Summer

Since 1990, one of the great past-times Norfolk County enjoys, has had a long history of assisting with the delivery of high quality health care. The Norfolk General Hospital Foundation Annual Golf Classic returns to the scenic vistas of the historic Norfolk Golf & Country Club July 19 and 20, 2016. This event has grown from humble beginnings to now attract hundreds of community minded golfers to support the NGH Foundation providing millions of dollars in funding to purchase vital medical equipment to best serve the needs of patients at NGH.

In addition to 18 holes of golf and an amazing meal, golfers will be able to bid on a stunning selection of silent and live auction items. Classic participants and the public at large will also have the opportunity to purchase raffle tickets for a chance to win 2 seats to any **WestJet** destination.

As a first time chair of the Golf Classic Committee, Brook Shafto is no stranger to helping meet the needs of our community. "It has been a great pleasure and experience for me as an organizer and participant in the hospital tournament for many years. I know how a round of golf with our supporters can make a difference raising dollars to benefit the well-being of the families and individuals living in this community."

For 2016, supporters and participants of the 27th Annual Norfolk General Hospital Foundation Golf Classic will help fund the purchase of a new Ultrasound Unit for the Diagnostic Imaging Department. The current equipment is 12 years old. Replacing it with today's ultrasound technology will provide NGH technologists with enhanced viewing in greater detail. A better diagnostic tool is best for our patients.
