Building a Better gets a boost from the Simcoe Lions

The Norfolk General Hospital Foundation received another boost to its fundraising from the Simcoe Lions Club. Dave Smyth, Past President and Rob Francis, first Vice-President delivered the first installment of a \$75,000.00 commitment to Julie Powell, NGH Director of Development on Monday October 24. The Lions will donate \$15,000.00 per year over the next 5 years to the Building a Better Hospital Campaign at NGH.

“We have continued to support our hospital because we want health care to remain close to home” stated Smyth, “A hospital delivering great care also helps drive business into the area in turn supporting an all-round healthy community.”

Lion Francis continued saying “Eventually, everybody will use this hospital. Let’s make it the best it can be”.

The Foundation’s Julie Powell expressed thanks to the Lions stating, “They have given so much to make NGH a vital part of our community. This commitment of financial support demonstrates their deep caring for the well-being of the people who use this hospital and a belief in the work of its staff and volunteers. We are very grateful for the Simcoe Lions assistance in building a better hospital.”

The \$13 million Building a Better Hospital Campaign will fund a project to revitalize, renovate and expand the Obstetrical Unit, Minimally Invasive Surgery and Surgical Day Care areas. For information about the campaign: jpowell@ngh.on.ca or 519-426-0130 ext. 145
