The Barrel Restaurant Supports NGH Foundation

The Barrel Restaurant in Simcoe has been serving up authentic Italian cuisine while supporting community projects for 29 years. The Norfolk General Hospital Foundation has been a recipient of that generosity and is pleased to be part of an upcoming event that will see The Barrel turn over proceeds to the Hospital Foundation. "We have been very fortunate to have had a healthy business for nearly 3 decades" says owner Tom Daikos, "to show our appreciation we want to give back by supporting healthcare in our community."

Family and friends are invited to a Tour of Italy and Wine Tasting event at The Barrel Restaurant Tuesday March 22 between 5:00 and 9:30pm. Barrel General Manager Nick Kokkoros explains "we are inviting families to enjoy our menu feature including Chicken Parmigiana, Lasagna and our Signature Fettuccine Alfredo accompanied by a choice of the Barrel house salad, Caesar salad, or soup; real Italian comfort food for only \$30.00 per person." The regular menu will also be available. Wine tasting will be hosted by Norfolk's Burning Kiln Winery and Frisky Beaver – Smoke & Gamble."

Proceeds from the event will support the Building a Better Hospital Campaign; a \$13 million project that will include the renovation and redevelopment of Labour and Delivery, Day Surgery and Minimally Invasive Suite at Norfolk General Hospital. The Barrel management will present a cheque to the Foundation during the evening's festivities.

Please help The Barrel with their continued support of the NGH Foundation.
