Smiles Benefit NGH Foundation

A smile goes a long way is certainly true when Norfolk's local Tim Hortons hold their annual Smile Cookie campaign. This past September's weeklong cookie sales raised \$20,190.00 with every dollar being donated to the Norfolk General Hospital Foundation.

Grant Nelson, Tim Horton franchisee, remarked on the donation "We are glad to give back. Our hospital is absolutely necessary to the community." That thought was echoed by Hillary Robertson also a

franchisee, stating "NGH is essential to the well-being of the community. We understand the need for new updated equipment."

"The Foundation is grateful to Tim Horton stores in Norfolk. The Smile Cookie Campaign has contributed to so many projects at NGH for many years. We want to recognize those that bought and enjoyed the cookies, thank you, that's a lot of cookies" expressed Julie Powell Director of Development NGH Foundation.

The Smile Cookie contribution will go toward funding the Building a Better Hospital Campaign which will see renovation and addition to the Birthing and Day Surgery units and Minimally Invasive OR at NGH.
