Simcoe Lions Cash for Crash Carts

The Norfolk General Hospital Foundation received a \$10,000 donation from the Simcoe Lions Club supporting the 29th Annual Golf Classic. The Club was one of the platinum sponsors of the event held at the Norfolk Golf and Country Club this past July.

Bill Easdown Lions President presented the cheque to Jennifer White NGH Foundation Director during the Tuesday evening dinner. "The Lions know how important this hospital is to the community. Our members are very proud to step up with support" remarked Easdown. The proceeds from this year's tournament will help with the purchase of 5 new Crash Carts. These toolboxes on wheels are stocked with supplies and equipment for use in the NGH Emergency Department, Operating Room and Intensive Care Unit. White thanked the Simcoe Lions stating "The foundation is so grateful to the Lions for this donation and the ongoing support the club has provided to the golf classic and so many other campaigns."

The Lions Club was also recognized as a Sustaining Supporter – those donors who have contributed \$50,000 or more to NGHf funded projects. Other Sustaining Supporters included Bruce Etherington & Associates and the Norfolk Community Foundation.

Total proceeds from the Golf Classic were not available for this release.
