Quarter Century Club Supports Year of the Cat 2.0

Members of the Norfolk General Hospital Quarter Century Club presented a \$2,000 donation in support of the Year of the Cat 2.0 Campaign. Jennifer White NGH Foundation Director accepted the gift from Quarter Century members Rose Barati and Rose Ann McSloy on November 21. The Club was the first to approach the Foundation about contributing the campaign even before it was publicly announced. This fundraising will purchase a new Computed Tomography (CT) Scanner for the hospital.

"We are very grateful to the Quarter Century Club for their on-going support of several important projects at NGH. Its members truly understand the importance of maintaining great healthcare in our community" remarked White upon receiving the donation.

The Quarter Century Club has a membership of persons who have worked at NGH or NHH for 25 years or more. The Club has contributed to the Building a Better Hospital Campaign and the Automated Drug Dispensing system plus they contribute in memory of deceased club members.

To donate to the Year of the Cat 2.0 Campaign contact the Foundation office: 519-426-0130 ext. 2456 or visit www.ngh.on.ca
