

Vittoria Lions Club supports BBH

Vittoria Lions President George Demaiter and Club Treasurer Nikolas Lyons made a special visit to Norfolk General Hospital on May 16 to present a cheque for \$10,000.00. The donation will help support the redevelopment of the Labour & Delivery unit as part of the current \$13 Million Building a Better Hospital campaign. "We contribute on a regular basis (to NGH) but this is just an extra one that we did. Just to help out. That's what we do" explained President DeMaiter "We're a small club but we are pretty mighty."

Jennifer White NGH Foundation Director thanked the club saying "The Vittoria Lions contribution gets us 10,000 steps closer to "Building a Better Hospital" for all of Norfolk. This donation demonstrates in a real way that the Lions see the importance of exceptional health care close to home."
