Waterford Lions deliver Pledge Installment

The Waterford Lions Club moved one step closer to its pledge of \$25,000 to supporting the Norfolk General Hospital Foundation's Building a Better Hospital Campaign. The second installment of \$7500 was delivered during the Foundation Donor Event held Thursday November 9 in the hospital's cafeteria.

"It was the icing on the cake to a great event for our donors. We so appreciate that the Lions took advantage of the opportunity this evening to follow up on their commitment with this presentation." stated Jennifer White NGH Foundation Director.

Waterford Lions President Bordan Tchegus and Treasurer John Toms were guests at the event that updated donors as to progress with the BBH campaign and introduced a new fundraising initiative to purchase a new Computed Tomography Scanner (CT).

The \$13 Million Building a Better Hospital Campaign will expand the hospital to make a new home for the Surgical Day Care unit, rebuild Labour & Delivery into state-of-art Birthing Suites and renovate the Minimally Invasive Operating Room. Phase one of the project will involve the refurbishing of the MIS. The hospital is currently working with the Ministry of Health for approvals to its plan and will soon involve architects and engineers moving forward into the New Year.
