H/N Dental Society Gives to NGH Foundation

As one group of health professionals to another, the Haldimand-Norfolk Dental Society stopped by the Norfolk General Hospital Foundation office with a donation of \$5,000 toward the Building a Better Hospital Campaign.

Dr. Kaveh Nateghi, President of the Dental Society delivered the cheque to Julie Powell, NGHF Director of Development on the morning of Tuesday February 23. The nearly 50 members of the Society approved the contribution to NGH after the idea was presented to them by member Dr. Jeff Greenfield. "All of us work and live in the area" stated Dr. Nateghi, "as health professionals we know that having a great hospital is good for our community." The Building a Better Hospital Campaign is a \$13 million project that NGH has undertaken to renovate Labour & Delivery, Same Day Surgery and developing the Minimally Invasive OR. Donations are gratefully accepted through the NGH Foundation office on the main floor of the hospital or call 519-426-0130 ext. 2456. Information on how to donate can be accessed at www.ngh.on.ca
