Norfolk General Hospital celebrates 90 Years of Caring.

Norfolk General Hospital Board Chair Beth Snowden and the members of the NGH Board of Directors invite the community to join the Board and hospital staff to celebrate 90 Years of Caring at an Open House on Saturday September 19, 2015.

Norfolk General Hospital opened as Norfolk's community hospital on May 20, 1925. Each phase of development and expansion has been supported by the residents, service clubs and the municipality as well as upper levels of government. This support has allowed NGH to continue to meet the health care needs of Norfolk County and area for 90 years.

"NGH was born out of the community's desire to have its own health care facility. We want to celebrate that commitment to support and the inspiration to provide great healthcare for generations to come" stated Board Chair Beth Snowden.

Please join NGH for the September 19th Open House beginning at 10am. A formal ceremony in the Cafeteria will happen at 11am. Guests will enjoy cake and refreshments, historical displays and hospital tours throughout the day.

More information will be posted at www.ngh.on.ca
